COR: Timothy Beckham, IM-13
Contracting Officer: Albert Manley, MA-641.1
CECOM POC for Admin: Ida Rydel (Ida.d.rydel@us.army.mil)

Specifics:

- Interagency Agreement (IA)
- Permits the Department of Energy (DOE) to use the Department of Defense’s MITRE Contract W15P7T-10-C-F-600
- Utilizes federally funded research and development and the firm’s cyber security expertise

Next Critical Milestone:

Obligate FY 2010 funds when available
 Interagency Agreement expires September 30, 2010

Period of Performance and IA Value:

October 1, 2009 – September 30, 2010	\$0.00	4.5 STEs
Subject to the availability of funds		
Ceiling Total	\$1,332,000.00	

Objectives:

- Assistance with detailed requirements definition and gathering;
- Cyber security system engineering and design support, analysis and assessment of alternative approaches and technologies;
- Support for activities that are performed centrally for the whole Department;
- Development of critical action plans, milestones and schedules;
- Development of measurement approaches to assess program effectiveness;
- Identification of areas where uniform policies and standards are needed for Department-wide consistency and secure interoperability.
