

Numbered Memorandum 06-28: "New Document Search/Production Paducah Case"

Action Required: Response to (Marilyn Madarang) HQ/GC by June 29, 2006.
Negative responses required.

We have received a document search request from Marilyn Madarang of the General Counsel (GC) office. This is a new request regarding the Paducah litigation and involves Headquarters (HQ) program offices only. Other GC attorneys are conducting this same effort in the DOE field sites. Attached is a "Request for Production of Documents." All items on this list as well as those outlined in Appendix A (beginning on page 50) of the amended complaint (attached) should be reviewed to determine if your organization may have applicable records.

Please direct any questions and responses regarding this request to Marilyn on 202-586-6488.
